THERE IS THIS STYLE OF PUTTING CHORDS IN A SONG

D(G) D7(G7) G(C) D(G) A7(D7)
Amazing grace, how sweet the sound that saved a wretch like me
D(G) D7(G7) G(C) Bm(Em) A7(D7)
I once was lost, but now am found. Was blind but now I see.

AND THERE IS THIS STYLE

Am[D]azing Grace, how s[G]weet the s[D]ound,
That saved a wretch l[A7]ike me.
I o[D]nce was l[D7]ost, but n[G]ow am fo[D]und,
Was b[Bm]lind, but n[A7]ow I s[D]ee.

'Twas grace, that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear,
The hour I first believed.

Through many dangers, toils and snares,
I have already come.
'Tis grace hath brought me safe, thus far,
And grace will lead me home.

When we've been there ten thousand years,
bright shining as the sun,
We've no less days to sing God's praise,
Than when we first begun.

AT THE CROSS

1 And did my Sov-'reign die?

Castaways

C

We hear of it every day

F

One who serves God turns away

G

C

He yields to temptations that come his way

No longer used of God

F

He goes the way of the world

G

F

C

And then he is known as a castaway

Chorus

F

G

F

C

God will make a way to escape each temptation

F

G

C

So let us run to Him when we are weak

F

G

C (trailing to Am)

We must take heed lest we fall when we think we're standing

F

G

It's the strength of the Lord we must seek

F

G

F

C

Then we will not also become castaways.

C

How sad to see the one

F

Who once lived for the Lord

G

C

But now he sits idly on the shelf

And it all goes back to the day

F

When they became castaways

G

F

C

They chose not to serve God, but self

C

The most tragic part of all

F

Is those who watched them fall

G

C

And have caused from almighty God to stray

As the Holy Spirit pleads

F

We must all stay on our knees

G

F

C

Then we will not also become castaways.

City of Refuge

F

There's a story in the Bible

Bb

F

'Bout a city God had prepared that a man could run to

When he found himself in trouble in a time of great despair

G

C - C7

Fleeing from the one who sought his life

F

Bb

And there outside that city He cried out to the keeper

F

And asked if he could enter in

Bb

Yes, there he would find safety

F

Yes, God He made provision

C

F

A city of refuge for him

Chorus

G

C

One day I ran to the city of refuge

G

Though guilty I was

I found shelter in the blood

D - D7

He shed for me

G

C

I was condemned, but God showed mercy

G

D

D7

G

On Calvary God built a city of refuge for me.

(Verse 2 and chorus has a key change)

G **C**
Condemned from the fall of man I was bound in sin
G
With a debt to be paid

But God He cared for me
A **D - D7**
And on Mount Calvary a foundation was laid

G
And on the cross Christ stretched out his hands
C **G**
That mighty gulf He spanned and bought my liberty

C
Now I can run
D
To God's only Son
D **G**
He is a city of refuge for me.

Chorus

G# **C#**
One day I ran to the city of refuge
G#
Though guilty I was

I found shelter in the blood
D# - D#7
He shed for me
G# **C#**
I was condemned, but God showed mercy
G# **D#** **D#7** **G#**
On Calvary God built a city of refuge for me.

The GLORIES Song

D A A7 D
Down in a noisy small valley Somewhere near jubilation brook
A A7 D D7
Lived a little band of glories Who sang as loud as they could

Chorus

G D A A7 D
Hallelujah Hale – Hallelujah Hale – Hallelujah Amen (Clap, Clap)
G D A A7 D
Hallelujah Hale – Hallelujah Hale – Hallelujah Amen (Clap, Clap)

D A A7 D
Their vocabulary wasn't enormous In fact, it was really quite small
A A7 D
If it wasn't worth saying Hallelujah It wasn't worth saying at all
D A A7 D
Instead of legs they had bed springs To help them in jumping around
A A7 D D7
With tambourines at their ready This is how they looked and sound

Chorus

D A A7 D
Well, these little folks always were happy Their grins reached from ear to ear
A A7 D
They always had lots to praise God for And never had nothing to fear
D A A7 D
Well the glories they had opposition The miseries were the name of their foes
A A7 D D7
They hated to see glories happy And this song just curled their toes

Chorus

D A A7 D
Well the miseries decided to take action While the glories were sleeping they slipped
A A7 D
Up to them and crinkled their bed springs With a needle they'd sew up their lip
D A A7 D
But as they crept into the glory camp They panicked and soon they were gone
A A7 D D7
For all the sleeping little glories Were merily snoring this song

Chorus

D A A7 D
Well of course this song has a meaning And this is the point to the story
A A7 D
Life on this earth can be misery Or life on this earth can be **glory!**

HE LEADETH ME

3 Lord, I would clasp Thy hand in mine,
4 And when my task on earth is done,

D **Bm/A** **A**

I Talked With Him Today

C **Em**
1. He was led to a rock pile on the outskirts of town
2. A young girl ran breathless out the church bus door
F **G**
There nailed to a tortuous rack as his mockers gathered round
She gave her mom and dad a smile they had never seen before

C **Em**
A blackened sky spoke like thunder when he finally got his
She told them how she'd gone to church that day to win a prize
F **G**
He who had given life back on their dead
But at that church she could scarce believe her eyes

C **Em**
Then his mom and some friends came to carry him away
There were people of all ages singing happily

F **G**
There were trying to say through a broken heart what only tears could say
Of a man they said had died on a cross for you and me

C **Em**
The sunset cast no shadow on the world's darkest day
She wondered who that man was to pay for all her sins

F **G**
And with one last look they laid him in the grave
But they showed her how he could be her friend

Chorus:

C **Em**
But I talked with Him today and my cares all fell away
(second time) Just trust in him today he will wash your sin away

Gm6 **F**
He made me feel like life had just begun
(second time) He will make you feel like life had just begun

F **C** **Am**
He said all of my trials can be turned into triumphs
Dm **G**
Through the victory he's already one

C **Em**
So I talked to him today and the comfort that he gave
Gm6 **F**
Filled me with desire to tell the world

F **C** **Am**
That on Calvary he died and now he is alive
Dm **G** **C**
I know, I talked with him today

Not trusting You in all that I do.

But You gave Your life, a sweet sacrifice,
To save my soul, make me whole,
Hold my hand through it all,
Till I see Your blessed face.

I praise You Lord for giving me
A mouth to sing and eyes to see,
And feet to take your Word to the lost.
O Lord, You see everything, You're faithful and true,
You help me to see, what you want for me,
To praise Your name, spread Your fame,
Tell all the world You came,
To save each child from their sin.

Notes:

Whenever I've sung this, the last line is always done slower, starting with "lu" of Hallelujah, and going at about half speed from there. (Your preference may vary.)

The G/F# isn't in any music I found. But it's good.

Skipping the D in the last line works just fine.

If you're

doing it at a faster tempo, in place of the D try G9 (320201).

When I Began To Live For Jesus

D G D G D

1. When I began to live for Jesus, faith was all I had
2. God gave me faith to believe, faith and not despair

Bm G A

There were many good times and some they call bad
Faith to know you're real, and faith to know you're there

D G D

As the shadows they lingered and my faith was almost gone
In my burdens O Lord I have faith in you still

Bm G A D

I just look up to Jesus and in hope carry on
Hope says you can, faith says you will

Chorus:

G D G D

I still know that He can, I always knew that he could

G Bm G A

So I hold on day by day just to see if He would

D G D G D

It is hope when you believe God can work miracles still

Bm G A D

It is faith when you can't see, but believe that He will
